

CS 490/491L Status #3, March 5th, 2023

Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.

Team/Project Name: _____ The Underbots/RentO _____

Team Member #1: _____ Cristian Ramirez _____

What I did since last progress report:

Attempting to finish coding the project before the peer review artifact. Able to host our website to AWS, as well as the database.

Anything holding me up on my last progress report's expected activities:

Numerical Analysis class takes up most of my time.

What I plan to do before the next progress report:

Will need to divert time and resource to finish as soon as possible.

Team Member #2: _____ Vince Fearing _____

What I did since last progress report:

Attempting to finish coding the project before the peer review artifact. Cleaning up some of the pages.

Anything holding me up on my last progress report's expected activities:

None at the moment.

What I plan to do before the next progress report:

Will help the team finish up the coding before we focus on testing.

Team Member #3: _____ Mohammed Al Moosawi _____

What I did since last progress report:

Dealing with the schemas and type of data we need to store.

Anything holding me up on my last progress report's expected activities:

Currently none, at the moment.

What I plan to do before the next progress report:

Will help the team finish up the coding before we focus on testing.

Team Member #4: _____ Ravindu Gunasinghe _____

What I did since last progress report:

Checking that the pages are able to load the data from the database.

Anything holding me up on my last progress report's expected activities:

None

What I plan to do before the next progress report:

Will help the team finish up the coding before we focus on testing.

Team Member #5: _____ Talha Harooni _____

What I did since last progress report:

Assisting with cleaning up the pages, css, and java files.

Anything holding me up on my last progress report's expected activities:

None at the moment.

What I plan to do before the next progress report:

Will help the team finish up the coding before we focus on testing.

Team Member #6: _____ Aaron Christian Navarro _____

What I did since the last progress report:

Making sure the pages are using the same color pallets and follow the same guidelines.

Anything holding me up on my last progress report's expected activities:

None at the moment.

What I plan to do before the next progress report:

Will help the team finish up the coding before we focus on testing.

Team Lead's signature of approval of progress report:

X Cristian Ramirez
Date: 3/5/2023
