

## CS 490/491L Progress #5, Nov 13<sup>th</sup>, 2022

*Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

**Team/Project Name:** \_\_\_\_\_ The Underbots/RentO \_\_\_\_\_

**Team Member #1:** \_\_\_\_\_ Cristian Ramirez \_\_\_\_\_

What I did since last progress report:

Finishing up SDD for early submission and waiting for feedback from the professor. Also been trying to set up the layout for back end for our coders to work on. Also been working on the mobile version of the front end. Creating several web pages.

Anything holding me up on my last progress report's expected activities:

Maintaining good and sufficient communication among the team, so far been difficult to try and coordinate a time for the team to work together, despite not meeting in person to class.

What I plan to do before the next progress report:

Will continue to work on the project and have something ready for the peer review which is due very soon.

**Team Member #2:** \_\_\_\_\_Vince Fearing\_\_\_\_\_

What I did since last progress report:

Finishing UI/UX design.

Anything holding me up on my last progress report's expected activities:

Designing UI/UX in Figma is tougher than I thought it would be.

What I plan to do before the next progress report:

Hopefully I will start coding the site.

**Team Member #3:** \_\_\_\_\_Mohammed Al Moosawi\_\_\_\_\_

What I did since last progress report:

Looking forward to starting coding.

Anything holding me up on my last progress report's expected activities:

No trouble at the moment.

What I plan to do before the next progress report:

Hopefully start coding and have a good amount ready for the end of the semester.

**Team Member #4:** \_\_\_\_\_Ravindu Gunasinghe\_\_\_\_\_

What I did since last progress report:

Starting the first steps of coding.

Anything holding me up on my last progress report's expected activities:

No issues so far with the completed tasks.

What I plan to do before the next progress report:

Finish the skeleton the program and code around it.

**Team Member #5:** \_\_\_\_\_ Talha Harooni \_\_\_\_\_

What I did since last progress report:

Finishing up on Odin Project.

Anything holding me up on my last progress report's expected activities:

No problems yet.

What I plan to do before the next progress report:

Finish the skeleton the program and code around it.

**Team Member #6:** \_\_\_\_\_Aaron Christian Navarro\_\_\_\_\_

What I did since the last progress report:

Working on Odin Project fundamentals.

Anything holding me up on my last progress report's expected activities:
