

### CS 490/491L Progress #3, Oct 16<sup>th</sup>, 2022

*Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

**Team/Project Name:** \_\_\_\_\_ The Underbots/RentO \_\_\_\_\_

**Team Member #1:** \_\_\_\_\_ Cristian Ramirez \_\_\_\_\_

What I did since last progress report:

Working on and attempting to finish the SRS report to submit early and wait for feedback. Discuss with team about any more necessary requirements for our RentO project. Continue working the Odin Project, finishing up learning how to use Linux and GitHub and about to work on CSS and HTML.

Anything holding me up on my last progress report's expected activities:

At the moment, the main thing that is holding me back is trying to maintain 100% good communication among the team. Second issue is trying to see if our team got enough requirements for RentO.

What I plan to do before the next progress report:

I will begin the process of making our Software Design Document so that our team can submit it for early feedback, as well as continue with my Odin Project.

**Team Member #2:** \_\_\_\_\_Vince Fearing\_\_\_\_\_

What I did since last progress report:

Working on finishing the requirements and Figma design.

Anything holding me up on my last progress report's expected activities:

Need to get better at Figma.

What I plan to do before the next progress report:

Continue self-studying web engineering and working on the Figma design.

**Team Member #3:** \_\_\_\_\_Mohammed Al Moosawi\_\_\_\_\_

What I did since last progress report:

I am working on the JavaScript part of Odin Project and should be doing react soon.

Anything holding me up on my last progress report's expected activities:

Improve my time management and able to handle my tasks on time.

What I plan to do before the next progress report:

Learn react and look at some examples to learn how to design the user interaction part of the project.
