

CS 490/491L Progress #6, Nov 27th, 2022

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: _____ The Underbots/RentO _____

Team Member #1: _____ Cristian Ramirez _____

What I did since last progress report:

Submitted the SDD and created several pages, (including HTML, CSS, and JavaScript) of our website to be peer reviewed. Had my group did the peer review and submitted their results. Also learned how to use Git to push and pull different versions of our project.

Anything holding me up on my last progress report's expected activities:

While we were able to communicate for these two recent assignments, I feel like we still need to improve the quality of it and continue to have a proper and professional standard of communication.

What I plan to do before the next progress report:

Will work on the last assignment that needs to be submitted, and work on the pages of our website.

Team Member #2: _____Vince Fearing_____

What I did since last progress report:

Developed first version of the mobile home page.

Anything holding me up on my last progress report's expected activities:

Get better at coordinating so that various pages are seamless and responsive.

What I plan to do before the next progress report:

Hopefully I will finish the homepage.

Team Member #3: _____Mohammed Al Moosawi_____

What I did since last progress report:

Started coding on a few pages for our project.

Anything holding me up on my last progress report's expected activities:

Learn more and improve code quality.

What I plan to do before the next progress report:

Finish up a good amount of code.

Team Member #4: _____Ravindu Gunasinghe_____

What I did since last progress report:

Finished coding the hamburger menu for the homepage.

Anything holding me up on my last progress report's expected activities:

Error proofing the code finishes the front end.

What I plan to do before the next progress report:

Finish front end and move to backend coding.

Team Member #5: _____ Talha Harooni _____

What I did since last progress report:

Started to code.

Anything holding me up on my last progress report's expected activities:

Progress to code and make improvements.

What I plan to do before the next progress report:

Have enough amount of code done.

Team Member #6: _____ Aaron Christian Navarro _____

What I did since the last progress report:

Coded out terms and conditions page.

Anything holding me up on my last progress report's expected activities:

Piecing and connecting code together and tidying up.

What I plan to do before the next progress report:

Hopefully working with backend coding soon and databasing.
