

CS 490/491L Status #1, Feb 5th, 2023

Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.

Team/Project Name: _____ The Underbots/RentO _____

Team Member #1: _____ Cristian Ramirez _____

What I did since last progress report:

Working on the database for our website and setting up the plan for the rest of the team.

Anything holding me up on my last progress report's expected activities:

Adjusting to the spring schedule, including the classes I have for this semester.

What I plan to do before the next progress report:

Will have the plan and schedule ready for the team to focus on. And also to have the database set up and running.

Team Member #2: _____Vince Fearing_____

What I did since last progress report:

Settling into the classes I have, as well as recovering from last month's situation. Also trying to make the current pages we have responsive.

Anything holding me up on my last progress report's expected activities:

Figuring out the schedule for spring semester.

What I plan to do before the next progress report:

Will work on the new pages and use the database to create our fake accounts and see how the website is running.

Team Member #3: _____Mohammed Al Moosawi_____

What I did since last progress report:

Assisting with making our pages responsive.

Anything holding me up on my last progress report's expected activities:
