

CS 490/491L Progress Template.

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: _____The Underbots/RentO_____

Team Member #1: _____Cristian Ramirez_____

What I did since last progress report:

Setup and completed the first two sections of the SPMP file, which includes the introduction and project organization. Also worked on my Project Odin progression, learning the basics of HTML and how to properly use GitHub so that we can be efficient during our time coding the application.

Anything holding me up on my last progress report's expected activities:

I was hoping to finish the tasks and the requirements for our report and have a legit idea of what the project's features are going to be. While we have an idea, it is not what I was hoping for, in regards to the expectation of our activities.

What I plan to do before the next progress report:

I will continue working on the SPMP and make sure to have it ready to be delivered to our professor ahead of the due date so that we can get proper feedback and revise whatever we need to change.

Team Member #2: _____Vince Fearing_____

What I did since last progress report:

Finalized roles, and also worked on the SDMP file.

Anything holding me up on my last progress report's expected activities:

Trying to organize tasks and a timetable is a bit of a challenge but it's becoming more clear.

What I plan to do before the next progress report:

I plan on continuing to work on the SDMP file and refreshing my web development skills.

Team Member #3: _____Mohammed Al Moosawi_____

What I did since last progress report:

I set up my system with linux and I started learning the Odin Project, alongside with some outside sources.

Anything holding me up on my last progress report's expected activities:

Nothing at the moment.

What I plan to do before the next progress report:

I plan to be done with preparation and maybe start messing around with design to get an idea of how it works for our project.

Team Member #4: _____ Ravindu Gunasinghe _____

What I did since last progress report:

Improving my web development skills, mostly HTML, via the Odin Project.

Anything holding me up on my last progress report's expected activities:

Creating a class diagram in order to figure out what we need to work on.

What I plan to do before the next progress report:

Polish my web development skills and complete the tasks sheet.

Team Member #5: _____ Talha Harooni _____

What I did since last progress report:

Picked and confirmed roles, and worked on the Odin project.

Anything holding me up on my last progress report's expected activities:

Nothing as of now.

What I plan to do before the next progress report:

I plan on working on the design and finishing my web development preparation.

Team Member #6: _____Aaron Christian Navarro_____

What I did since last progress report:

Finished through Github and HTML basics on the Odin Project.

Anything holding me up on my last progress report's expected activities:

I did not encounter any issues as of now.

What I plan to do before the next progress report:

Wrapping up fundamentals of Web Design on the Odin Project, as well as fleshing out tasks and requirements.
