

CS 490/491L Status #2, Feb 19th, 2023

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: _____ The Underbots/RentO _____

Team Member #1: _____ Cristian Ramirez _____

What I did since last progress report:

Database has been established and connected to the front end of the website, adding accounts with random data to simulate various users in our account.

Anything holding me up on my last progress report's expected activities:

Due to an unfortunate event within my family, I have not been able to communicate properly with my team, progress on my end has been slowed dramatically.

What I plan to do before the next progress report:

Will increase productivity time and establish the remaining pages for the website.
Coordinate with the rest of the team about the project.

Team Member #2: _____Vince Fearing_____

What I did since last progress report:

Continuing with making sure each webpage is being responsive and verifying that each follows the standard.

Anything holding me up on my last progress report's expected activities:

Still dealing with my medical situation, but it is improving.

What I plan to do before the next progress report:

Will continue working on the pages, with the same tasks.

Team Member #3: _____Mohammed Al Moosawi_____

What I did since last progress report:

Assisting with Cristian in dealing with the database and managing the accounts, making sure certain pages can read data from the database.

Anything holding me up on my last progress report's expected activities:

Currently none, at the moment.

What I plan to do before the next progress report:

Will see to it that database is not breached/leaked with any bugs or unauthorized access from the front end.

Team Member #4: _____ Ravindu Gunasinghe _____

What I did since last progress report:

Creating the remaining pages for the websites, and making sure the CSS, html and JavaScript codes look clean and organized.

Anything holding me up on my last progress report's expected activities:

Dealing with some of my classes, including a few tests.

What I plan to do before the next progress report:

Continuing with creating the pages.

Team Member #5: _____ Talha Harooni _____

What I did since last progress report:

Making sure that links in the website lead to another page or feature, making sure there are no broken or dead-end links.

Anything holding me up on my last progress report's expected activities:

None at the moment.

What I plan to do before the next progress report:

Help out Vince and Aaron with the pages.

Team Member #6: _____ Aaron Christian Navarro _____

What I did since the last progress report:

Helping Vince with the pages and their responsiveness.

Anything holding me up on my last progress report's expected activities:

Dealing with some of my other classes.

What I plan to do before the next progress report:

Continue with Vince with the pages and make sure each page follows a guideline.
