CS 490/491L Progress #4, Oct 30th, 2022

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: _____The Underbots/RentO_____

Team Member #1: _____Cristian Ramirez_____

What I did since last progress report:

Setting up the base idea of writing the software diagram design report, continued working on the Project Odin and worked with the group to come up with a proper logo and layout for our web site.

Anything holding me up on my last progress report's expected activities:

Maintaining good and sufficient communication among the team and trying to figure out the proper way to draw the class diagrams.

What I plan to do before the next progress report:

I will continue to work on the SDD and prepare the tasks for the team to work on, including the web design and coding part of each web page.

Team Member #2: _____Vince Fearing_____

What I did since last progress report:

Finished the front-end of Project Odin and is working on the back-end part of the lessons. Also created a sample design of the mobile version of our web app.

Anything holding me up on my last progress report's expected activities:

Need to improve on Figma and drawing skills for designing.

What I plan to do before the next progress report:

Continue working on the sample layout of the web design so the rest of the team knows a guideline of how each page should be created.

Team Member #3: _____Mohammed Al Moosawi_____

What I did since last progress report:

Close to finishing up Project Odin and getting ready to start with actual coding.

Anything holding me up on my last progress report's expected activities:

Trying to understand how to put everything together.

What I plan to do before the next progress report:

Try to work on the code as soon as possible.

Team Member #4: _____Ravindu Gunasinghe_____

What I did since last progress report:

Currently working on Odin Project for web development.

Anything holding me up on my last progress report's expected activities:

Balancing all the tasks from other classes.

 What I plan to do before the next progress report:

Finish Project Odin and be ready to code and design the web app.

Team Member #5: _____Talha Harooni_____

What I did since last progress report:

Currently working on Odin Project for web development.

Anything holding me up on my last progress report's expected activities:

Balancing all the tasks from other classes.

What I plan to do before the next progress report:

Complete web development practices, and plan on website design.

Team Member #6: _____Aaron Christian Navarro_____

What I did since the last progress report:

Still working on Odin Project and web dev course.

Anything holding me up on my last progress report's expected activities:

Time management with school other courses.

What I plan to do before the next progress report:

Hopefully I will finish fundamentals course soon, and decide on design for web app.
